This bull's sire is 930, "Dave," the \$18,000 - 2019 DTBA sale live judging champion. This sire has produced more high-quality and structurally correct animals in our operation than any other. This bull is structurally sound, with great numbers as well. He had an above-average weaning weight and top feed gains. We brought the best to town; between this bull and his half-sibling, these are our best out of our best sire.

See the documents section for complete information about the ranch, its program, and the bull guarantee.
