Sale day weight is 1160 pounds.

High quality genetics for power and growth, many of our animals have been purchased through the GTSS. The genetic variability in this herd is 8 bulls on 55 cows. Great semen test on this bull!

We do not vaccinate. Our ranches have had excellent health records, and we have had no need to implement a vaccination program. All animals will be dewormed before the sale.

All bulls have passed semen test. Documentation available on request.
