Heifers are onsite with the bulls.

Sale day weights are 630, 735, 730, 725. and 735 pounds.

We have strived to improve the quality of our herd by using top quality genetics. As a result, our females have competed well at many contests throughout the years. These five yearling heifers are the result of our

dedication to the herd quality. Our growth and performance come straight from the prairie. These heifers are raised alongside and expected to perform on the same groceries as the breeding herd. The heifers have the same quality genetics as our bull (Lot 517).
